# EQUIPMENT USAGE FEES\*

(updated 10/05/2022)

## WATER SYSTEM EQUIPMENT

All Leak Detection Equipment .....	\$250 set up + \$250/day
Technical Assistance Trailer .....	\$250 set up + \$150/day
Leak Detection Tuner .....	\$100
Leak Correlator Equipment .....	\$150
Line Tracing Equipment .....	\$100
Magnetic Location Equipment .....	\$100
Ultra-Sonic Flow Meter .....	\$100
Pipe Thawing (up to 2") .....	\$125
Data Loggers .....	\$50/logger
Hydrant Flow Testing .....	\$100/day + \$5/hydrant or valve
De-Chlorination Equipment .....	\$100
HydroVac .....	\$150/day (5 holes) + \$25 per add'l hole**
Kubota w/Valve Exerciser .....	\$150/day (5 holes) + \$25 per add'l hole**
	**\$300 maximum/day

## WASTEWATER SYSTEM EQUIPMENT

Smoke Testing Manholes .....	\$100 set up + \$25/manhole
Smoke Test Cleanouts .....	\$50/usage
Sewer Camera Video Inspection .....	\$250 set up + \$250/block
Push Camera Video Inspection .....	\$200 set up + \$200/block
Poly-Pigging .....	\$100 set up (includes pigs)
Flow Monitoring .....	\$100 set up + \$150/week
Sludge Judging .....	\$150

## DRONE

Drone and Camera .....
 \$225 per day |

+ pro-rated share of software e.g., Drone Deploy if needed

## ON-SITE TRAINING

CPR/First Aid Training .....
 \$75/person |

## WEBSITE

Website Development .....
 \$250 |

## ABPA CERTIFIED BACKFLOW PREVENTION DEVICE TESTING

Testing Reduced Pressure Principal Assembly (RP) .....	\$100 each
Testing Double Check Valve Assembly (DC) .....	\$100 each
Testing Pressure Vacuum Breaker Assembly (PVB) .....	\$75 each
Testing Spill-Resistant Pressure Vacuum Breaker Assembly (SVB) .....	\$75 each
	*Minimum charge of \$150 per day

## MAPPING FEES

**WATER SYSTEMS:** includes valves, hydrants, wells, tanks, ect.

1 - 36" wide laminated map on satellite imagery .....
 \$1 per person / pop. (\$500 min.)\* |

**WASTEWATER SYSTEMS:** includes manholes, cleanouts, pump stations, ect.

1 - 36" wide laminated map on satellite imagery .....
 \$500 for first 66 manholes |

.....

 \$15 per additional manhole\* |

**SANITARY DISTRICTS:**

1 - 36" wide laminated map on satellite imagery .....
 \$500 for first 66 manholes |

.....

 \$15 per additional manhole\* |

\*Curb stops and digitizing lines are an additional fee

## ADDITIONAL MAPPING OPTIONS

Curb Stop Mapping .....	\$1 per person / population (\$500 min.)
Digitize Service Lines to House (approx.) .....	\$1 per person / population (\$500 min.)
Digitize Water Main Lines .....	\$1 per person / population (\$500 min.)
Digitize Sewer Mains .....	\$1 per person / population (\$500 min.)
Map Binder .....	\$250 min. for one with 15 pages, \$1/page after
Additional Binders .....	\$100, \$1/page
Digital Files: Google layer, map layers .....	\$50 per order
Additional maps: 36" wide laminated .....	\$50
Updates to SDARWS maps* .....	\$150 per day + \$2 per point collected
	*includes a new laminated map and digital file

\*Equipment fees cover up to one day of use/service unless otherwise specified.
