## 39th Annual Rural Water Open

Elmwood Golf Course • 2604 W Russell St • Sioux Falls, SD

Shotgun Starts: 7:30 AM & 1:30 PM

Due to the large number of golfers, each round will be limited to 5 hours. Scorecards must be turned into the Pro Shop immediately after your round. Any unplayed holes or missing scorecards will receive a par for those holes.

### TOURNAMENT RULES:

- Teams will consist of four players.
- Men will tee off from the gold tees.
- Women and men 65 and older will use the red tees.
- On each hole, all players tee off. The team selects the best shot, and all players hit their next shot from that spot. This format continues for every shot, including putts, until the ball is holed.
- Lies may be improved by one club length, except in sand bunkers. You may not move the ball from the rough to the fairway.
- Each team records one score per hole.
- Mulligans are available; there is no limit to them, but they must be paid for before they can be used.
- If there is a tie at the end of play, the tie will be broken by referring to the original scorecard.

### THE SWEET SPOT ADVANTAGE (Licorice Ropes)

- Licorice ropes are sold in 3-foot lengths.
- A team can use licorice to improve their ball position without taking a stroke penalty (e.g., closer to the hole, out of a hazard, onto the green, etc.).
- When a team uses a piece of licorice, they must tear off and discard the length used.
- No strokes are added when licorice is used, but once it's gone, it's gone!
